### **DWR Releases 2014 Water-Energy Grant Program Draft Guidelines and Proposal Solicitation Package**

**SACRAMENTO** – The California Department of Water Resources has announced the release of the Draft Guidelines and Proposal Solicitation Package for the 2014 Water-Energy grant program. Total funding for the program is \$19 million. The Water-Energy Program was established on March 1, 2014 when the Governor approved the appropriation of funds from the Greenhouse Gas Reduction Fund.

Release of the Draft Guidelines and Proposal Solicitation Package opens the public comment period. The comment period closes at 5 p.m. on September 5, 2014. DWR will conduct three public meetings in August to receive comments on the Draft document.

To view the Draft Guidelines and Proposal Solicitation Package, find additional information on the public meetings and read instructions on how to submit public comments, please visit the following website:
